

Words Of Encouragement  
And  
Upliftment For Everyone!

## Coronavirus

It is a time not for frustration or despair, or for sorrow, doubts and fears, but a time to dwell on the Glorious Majesty of our Living God Who constantly watches over us, guiding us and protecting us from ALL the evils of this World. It is HIS Will that will prevail in our lives if we heed His Voice and faithfully follow the teachings of Our Precious Messiah.

Let us dwell for a moment in His Presence.

### Awestruck

**Oh Lord, I see Your Face in each Glorious Sunrise,  
Feel Your Breath in each warm Summers Breeze,  
And savour as Your Sweet Presence  
The Beauty and Fragrance of the Rose!  
To think we're just a part of Your Creation,  
Yet we're all so special to You!  
Though so numerous we are never faceless,  
You see each individual come shining through!**

## In Praise Of God!

Oh God, how wonderful it is,  
To lift my heart to You  
In praise and adoration!  
When I see Your Glorious Light  
Made manifest in my life,  
I weep in awe,  
And wonder that You,  
Who are so Great,  
Could care for me!  
How bounteous is Your Grace,  
How tender Your Mercy,  
That enfolds us from the least  
To the greatest,  
In robes of Salvation,  
And the Warmth of Your Love!

## The Dark Hours

Father, I feel so lonely  
And the night is dark and long,  
Fears crowd round to assail me  
In a jostling evil throng;  
But yet, I know You're with me,  
And when I draw closer still,  
Suddenly, there in the darkness  
Your Light begins to spill,  
And sitting, immersed in Your Presence  
I have no need to fear,  
Oh Father, it's good to be Your child  
And know You're always near!

*Look To The Sky!*

If you're unhappy or frustrated  
And don't know *why*,  
If you're angry or confused  
*Lift your eyes to The Sky.*

There IS a God *Who Listens*,  
There IS a God *Who Cares*,  
If you're unhappy or frustrated  
*Look to The Sky!*

If your heart is full of Sorrow,  
And your eyes are full of tears,  
If you think there's no Tomorrow  
*Turn away from all your fears.*  
Look for something *deeper*,  
Look for something *real*,  
If your heart is full of Sorrow,  
*Look to The Sky!*
