

Children are *very special* to God they have a *special place* in His Heart. NO-ONE can abuse or ill-treat a child without incurring Gods' Judgement and Wrath, He will Love and Nurture that child and be *there* to see that child through.

## “For The Young”

(Downloaded from wordsforyou.online)

**You are important to God. Children are *important* to God.** Too many people underestimate the intensity and depths of a child's emotions, **but God *never* does.** He is grieved when a child experiences pain of *any* kind, and is profoundly moved by their tears. God reached down and touched me as an infant, too small to understand anything, He did so then because He knew I wouldn't make it if He waited any longer, He knew my inner pain was destroying my soul, and breaking my young heart, and if He didn't do something *then*, it would be too late. If you are able to read this you are obviously older than I was then, old enough to *understand* what I am saying to you now. Please believe me when I tell you that you are **not** alone, no matter how **afraid, unloved, isolated or abandoned** you may feel, God is ***always*** there, He ***always*** Sees and He ***always*** Cares. He is with you now, whether you are aware of it or not, as you are reading these words. Always remember, His Love is PERFECT, it is Eternal [which means it lasts ***forever***] and it is ***Unconditional***, which means you don't have to *deserve* it, 'earn' it or 'merit' it in any way at all, you only have to reach out to Him and speak from *your* heart to His...it's as simple as that. **He's there and He's waiting. He already knows *you*, and is waiting patiently for the day you decide *you* want to know *Him* too.**

## He's Waiting

Do you know God sees your every fear,  
Hears every muttered comment  
You don't want Him to hear?  
He sees every frown upon your brow,  
And bending low He whispers how  
You can find His Way.

Have you ears to hear and find His Way,  
Will you make time for God in your day?  
He's always there, right by your side,  
From fear and pain you need not hide.  
Put your hand in His, Let Him show you the way,  
The time is right, you choose the day!

If only I had known my Precious Saviour *then*, known how to *talk to God*, but My Heavenly Father *was* there with me, I was just too young to understand, still too 'locked-up' within myself. There was no-one there to tell me, no-one there to show me the way, but I can tell *you*, I can show *you* the way. The following piece is a song I received in my spirit much later on in my life, when I finally *had* found God again and was able to speak to Him *and* hear *from* Him, *but we have to open ourselves up* on the inside, in our spirits to be able to do *both* these things, we have to *acknowledge* He exists, and *open up* the lines of communication *ourselves*. Doubt and unbelief are *serious impediments* to hearing from God, we have to lay these things *aside* and be prepared to spend time sitting in His Presence **and** *listening*, persevere in this, believing and speaking to Him *in your spirit* and you *will* hear.

**A Song From The Heart Of God...For troubled children everywhere**

**My child, my child won't you hear Me and let Me talk to you?  
My child my child won't you listen, and let Me guide you through?  
For I know the way your feet must tread and the way your path must end,  
My child, my child won't you hear Me and let this turmoil end?**

**My child, my child I do love you though oft it seems you fear.  
My child, my child I won't leave you but draw you ever near,  
For you are precious within My Sight and I will keep you safe,  
My child, my child won't you listen and stay in My Embrace?**

**My child, my child I have heard you each time you've called to Me.  
My child, my child I entreat you, Oh, won't you try to see?  
See the path that lies waiting for you, it needs only courage and faith,  
My child, my child it's My Spirit that will help you win The Race.**

It takes courage to hand our hearts and lives over to God, *but it's worth it!* He will show you things about *yourself* and the World you live in that are *life-changing!*

‘Ask and it *shall* be given you: seek and ye *shall* find; knock and it *shall* be opened unto you’ [Matthew 7:7 The Holy Bible. King James Version] Our Heavenly Father is *always* there.
